

Technical Data

Hardener LT

Technical Product data:

Property	Value	Unit
Colour number (Gardner)	< 2	
Density	approx. 0.93	g/cm ³
H*-equivalent weight	43 g/eq	calculated
Solid state	100 %	
Flash point	> 100 °C	

Storage

Can be stored in original packaging at room temperature for at least 12 months.

Precautionary measurements

When processing epoxy resins and hardeners, the usual precautionary measures for handling chemicals and the applicable official occupational health and safety and environmental protection regulations must be observed. Particular attention must be paid to the selection of suitable protective gloves and skin protection. Detailed information on hazards, labelling, occupational safety and environmental protection can be found in the safety data sheet
