

## Instructions for using the R&G Fibreglass Telescopic Poles

Fibreglass Telescopic Pole (white) 12.5 m (6701102-W),  
Fibreglass Telescopic Pole (black) 9.8 m (6701101),  
Fibreglass Telescopic Pole **deLuxe\*** (white) 12.5 m (6701103-W)  
Fibreglass Telescopic Pole **deLuxe\*** (black) 9.8 m (6701102)

By removing the hard rubber cap or unscrewing the aluminum cap (**deLuxe** version, please check where top and bottom is) the telescopic mast can be extended at the **TOP**.

By unscrewing the aluminum cap, the individual segments can be taken out at the **BOTTOM**, please start step by step with the smallest diameter. Any damaged segments can also be removed and be replaced.

With the **deLuxe** version, it must be checked beforehand on which side the segments can be removed or the telescopic mast can be extended, as the individual segments can slide out and be damaged in the process.

All information, recommendations, and advice on the part of R&G Faserverbundwerkstoffe GmbH are published to the best of our knowledge and belief. They are noncommittal and contain neither explicit nor tacit assurance or warranty of particular properties. The values specified for properties are typical figures. Recommendations or advice serve to describe our products and possible applications in a general or exemplary, but not specifically individual manner. In the course of the constant technical advancement and improvement of our products there may be changes to the characteristic values, copy, and diagrams; no specific reference is made to any such change. Owing to our products' wide and highly diverse range of potential applications far beyond any of our attempts to analyse, the customer alone is responsible for examining our products' suitability for the respective processes and purposes and their respective processibility. All and any protective rights and the applicable laws, terms, and conditions must be observed by the buyer or user of our products at their own responsibility.
